See What Our Guests Are Saying

" Perfect little place to stay and play. Just steps to the village and a few more steps to the beach, quaint little pools, awesome and friendly staff. Coconut Cove had a big comfy bed anything you need for kitchen and an AC unit that will freeze you out on the hottest Florida day. Perfect place for romantic little getaway and at the same time we had the nicest friendliest neighbors staying in units all around us, grab a bike from Walt, or the big comfy beach chairs and be prepared to relax and enjoy the beautiful white sand beaches of siesta key!"
